FOLK ART

Lucy Folk, resident of Pieces of Eight workshop, has her first solo show, *Nibbles*, at the on-site gallery. Featuring 24ct gold pretzels and other delicious food-inspired jewellery, it will put you in the holiday mood! A group show follows, featuring all the represented artists, in celebration of Pieces of Eight's first birthday. These affordable treasures aim to help you adorn your loved ones this sunny Christmas.

Pieces of Eight Gallery,

9 November

– 2 December 2006
