

WHAT'S NEW AROUND TOWN

MARINELLA PADULA

PIECES OF EIGHT

Sorry lads, it's not a pirate concept store. But there is treasure in this contemporary jewellery gallery. Featuring local artists (six of whom work in the on-site studio), it's the perfect place to collect some innovative and original pieces.

At 635 Brunswick Street, North Fitzroy, phone 9497 8121 or see piecesofeight.com.au.
